

**LEIGH MEDEIROS** is co-founder and co-director of the Hollywood Climate Summit's *Writing Climate: Pitchfest for Film and TV*, author of *The 1-Minute Writer: 396 Microprompts to Spark Creativity and Recharge Your Writing* (Simon & Schuster, 2019), Script Magazine's *The Climate* Screenwriter columnist, and founder of the Linden Place Writers' Residency in Rhode Island. Her screenplays have placed in numerous competitions, including the Nicholl, Project Greenlight, San Diego International Film Fest, and PAGE, and have garnered two Screenwriting Merit Fellowships through the State of Rhode Island. Leigh is a member of the United Nations Entertainment and Culture for Climate Action (ECCA) working group and has consulted with Good Energy on a climate story campaign. Her motto is, "Big Impact, Small Footprint." And, yeah, she hugs trees! Find her at [LeighMedeiros.com](http://LeighMedeiros.com), on Twitter @Leigh\_Medeiros\_ or on Instagram @leigh\_medeiros.
